*** New Benefit**

*** Health Start for Kids Benefit**

Take your kids to the dentist and services are covered at 100%. That means no out-of-pocket costs, no deductible and no maximum to consider for cleanings, exams, fillings and crowns. Once your child turns 15, they will transfer to the standard plan design.

How your plan works

Simply visit your dentist at least once in the benefit year to increase your coverage level by 10% for the following year. Repeat until you achieve your maximum benefit levels. Here's an example:

On the other hand, if you do not visit the dentist in the benefit year, your coverage level will decrease by 10% the following year.
